The data we require are as follows (for period 1st January 2019 and 31st December 2019) in an electronic format that allows us to read the data into a database. Many hospitals respond to our survey and provide data in the form we require. Preferably this format is in an excel file or comma separated text file.

We require the gender of the patient (M or F), the date that they attended due to assault (dd/mm/yyyy) and their age. Age can either be numerical to the nearest year (preferred) or in age bands ("0-10", "11-17", "18-30", "31-50", "51+"), we can also accept date of birth.

Included below are the number of patients that attended Milton Keynes University Hospital's A&E Department and were recorded with an Injury Intent of 'Apparent assault' in calendar year 2019.
