

Request under Freedom of Information Act 2000

Thank you for your request for information which we received on 14 December 2022.

I am pleased to confirm the following.

Q1. How many patients have been treated (for any condition) in the last 4 months with:

- Benralizumab 0 patients
- Dupilumab 50 patients
- Omalizumab Less than 5 patients
- Reslizumab 0 patients
- Mepolizumab 0 patients
- Tezepelumab 0 patients

Q2. Of the patients treated in the last 4 months with any of the above products, please provide the number of patients by the following age-groups:

- Age 6-11 Less than 5 patients
- Age 12-17 Less than 5 patients
- Age 18 and above 51 patients

Q3. How many patients have been treated in the last 4 months by the Respiratory Medicine department ONLY with:

- Dupilumab 0 patients
- Omalizumab 0 patients

You are advised that this information is provided in accordance with the Freedom of Information Act 2000 and is for your personal use. Any re-use of this information will be subject to copyright and the Re-Use of Public Sector Information Regulations (1st July 05) and authorisation from Milton Keynes Hospital NHS Foundation Trust will be required. In the event of any re-use, the information must be reproduced accurately and not used in a misleading manner.

If you are unhappy with the information received in response to this request, please address your complaint to the Patient Affairs Office at Milton Keynes Hospital NHS Foundation Trust, Standing Way, Eaglestone, Milton Keynes MK6 5LD. If, after exhausting our internal process, you are still unhappy with the information received, you may write to the Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire SK9 5AF.

If you need any further assistance, please do not hesitate to contact us at the address above.

Yours sincerely,

Freedom of Information Co-ordinator

For and on behalf of Milton Keynes Hospital NHS Foundation Trust

Any re-use of this information will be subject to the
'Re-use of Public Sector Information Regulations' and best practice.
