

Request under Freedom of Information Act 2000

Thank you for your request for information which we received on Thursday 29th June 2023.
I am pleased to confirm the following.

1.) The number of patients treated by your NHS Trust from 2018 to 2023 so far (as much as recorded) for complications related to elective surgery undertaken outside the UK.

Please provide the numbers broken down year-by-year:

a) 2018

b) 2019

c) 2020

d) 2021

e) 2022

d) 2023 (to date)

If possible, please also:

2) indicate the original (outside the UK) medical treatment, and

3) the subsequent treatment the patient received in the UK, at your trust

MKUH does not hold information regarding previous treatment abroad, or procedures remediating treatment abroad, in our Datawarehouse.

We are therefore not able to provide an answer to these questions.

You are advised that this information is provided in accordance with the Freedom of Information Act 2000 and is for your personal use. Any re-use of this information will be subject to copyright and the Re-Use of Public Sector Information Regulations (1st July 05) and authorisation from Milton Keynes Hospital NHS Foundation Trust will be required. In the event of any re-use, the information must be reproduced accurately and not used in a misleading manner.

If you are unhappy with the information received in response to this request, please address your complaint to the Patient Affairs Office at Milton Keynes Hospital NHS Foundation Trust, Standing Way, Eaglestone, Milton Keynes MK6 5LD. If, after exhausting our internal process, you are still unhappy with the information received, you may write to the Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire SK9 5AF.

If you need any further assistance, please do not hesitate to contact us at the address above.

Yours sincerely,

Freedom of Information Co-ordinator
For and on behalf of Milton Keynes Hospital NHS Foundation Trust

Any re-use of this information will be subject to the
'Re-use of Public Sector Information Regulations' and best practice.
