Request under Freedom of Information Act 2000

Thank you for your request for information which we received on Tuesday 22 April 2025. I am pleased to confirm the following.

The policies requested are as follows:

- 1. Safeguarding Adults.
- 1.1 Adult Safeguarding: Roles and competencies for Health Care Staff.

Please see attachment 1

2. Urinary Catheters.

MKUH currently uses the Royal Marsden website for clinical guidance as it provides comprehensive, evidence-based clinical procedures and guidelines. The Royal Marsden Manual of Clinical Nursing Procedures is considered the gold standard for nursing care, offering detailed instructions, rationales, and best practices to ensure high-quality, patient-focused care. Please find enclosed a printed copy of the urinary catheter guidance as access to the Manual requires a Login to the Royal Marsden Website. If you require any specific information not in the guidance provided, please do not hesitate to contact the Freedom of information team for further information.

4. Norovirus for inpatients/outbreaks in healthcare settings.

MKUH uses the policy from NHS England and the ipc-A-Z-pathogen resource, please find enclosed

NHS England » National infection prevention and control manual (NIPCM) for England

ipc-A-Z-pathogen-resource-2024.xlsm

5.PVAD (peripheral vascular access device) policy.
