Question	Notes/Comments
Could you tell me the number of people who were admitted to hospital with teeth, gum and other mouth related illnesses/injuries in the years: (to the nearest date to present) in the years 2022 2021 2020 2019 2018 Could you please break the information down by year and type of injury?	The response contained in the 'data' tab shows the number of patients with a primary diagnosis of a mouth related condition from those listed in the 'codes' tab by year for 2018/2019/2020/2021 and 2022 up until 30th April (which is the last month in which clinical coding is complete) The diagnoses have been grouped by their sub group in our response.
