

***Request under Freedom of Information Act 2000***

Thank you for your request for information which we received on 19 August 2022.

I am pleased to confirm the following.

**Could you please provide an update on the New Hospital Programme at your relevant hospital?**

We continue with progress on our Outline Business Case information, including finance and activity models, clinical & operational models, approach to digital and workforce modelling. We are holding briefing workshops within the trust to ensure that we are well placed when we are in a position to progress the project with our design team and have commenced work to engage with patient groups.

**When was the original target set for this to be finished?**

The original Trust target was 2024, however our project has now been placed in Cohort 4 and will deliver after 2025, the exact timeframe has not yet been outlined by the NHP national team.

**When was the planning permission applicant submitted?**

Planning application has not yet been submitted.

**If planning permission has been granted, what date was that received?**

N/A

**Is the project forecast to be completed by the original target date?**

No

**Has a location been identified for the new hospital?**

Yes, the new hospital will within the current hospital owned land.
