

Request under Freedom of Information Act 2000

Thank you for your request for information which we received on 26th June 2023.
I am pleased to confirm the following via the attachment.

Whether the trust's maternity department offered remifentanyl as a pain relief option during labour in 2022-23.

If the trust did offer remifentanyl as a pain relief option during labour in 2022-23, if at any point this was not available and, if so and if possible, to calculate, approximately how many days this was not available as an option for

No, MKUH only started offering remifentanyl PCA from May onwards and so far there have been none.

Whether the trust's maternity department offered Entonox as a pain relief option during labour in 2022-23

If the trust did offer Entonox as a pain relief option during labour in 2022-23, if at any point this was not available and, if so and if possible, to calculate, approximately how many days this was not available as an option for

MKUH offered Entonox as pain relief during this period.

Whether the trust's maternity department offered sterile water injections as a pain relief option during labour in 2022-23

If the trust did offer sterile water injections as a pain relief option during labour in 2022-23, if at any point this was not available and, if so and if possible, to calculate, approximately how many days this was not available as an option for?

We do not offer sterile water injections for pain relief.
