Request under Freedom of Information Act 2000

Thank you for your request for information which we received on 26 July 2019.

I am pleased to confirm the following.

According to the NHS Trust guidelines, at what PSA level should GPs refer patients for suspected prostate cancer?

Please see attached

Does this differ depending on any factor, such as age?

The Trust works to the NICE guidance for PSA referrals per age range

Are repeated PSA tests required before a referral?

PSA tests are performed 6 weeks apart

When were the NHS Trust prostate cancer referral guidelines last updated?

The Trust is currently updating the referral criteria to meet straight to test
