Moderated PSCP qualitative scoring post interview

This is where you add the consensus score following moderation at interview. It is necessary to add the consensus score post-interview (even if the moderated scores are the same as the pre-interview scores) for the selection tool to work correctly. Score a whole number out of 100.

Scoring reference

Exceptional: Exceeds all criteria	100
Excellent: A positive match with all elements of criteria	90
Very Good: A positive match with most elements of criteria	80
