

## ***Request under Freedom of Information Act 2000***

Thank you for your request for information which we received on 05 August 2021.

I am pleased to confirm the following.

- 1. The total number of single Covid-19 vaccine doses administered by all health authorities within your trust each month, broken down by manufacturer, e.g., AstraZeneca, Pfizer and Moderna**

34,965 vaccines were administered at Milton Keynes University Hospital. They were all Pfizer vaccines.

- 2. The total number of single vaccine doses that have been wasted or discarded at vaccine hubs controlled by your trust each month, broken down by manufacturer, e.g. AstraZeneca, Pfizer and Moderna.**

56, from 8<sup>th</sup> December until 25<sup>th</sup> February. We then changed our reporting method; the CCG may be able to obtain this information from Foundry.

- 3. Please state the reasons for this wastage or discarding, e.g., dropped or contaminated vials; human error in the preparation process; expired stock; leftover doses; and faulty syringes.**

Wastage included contaminated vials, faulty syringes, disconnected needle, human error in the preparation process. There was no expired stock.
