***Request under Freedom of Information Act 2000***

Thank you for your request for information which we received on Monday 17 February 2025. I am pleased to confirm the following.

**1. The total number of patients currently on waiting lists for a gynaecology appointment. If available, please provide this broken down by calendar year for the time period referred to above.**

3111

**2. The average waiting time (in weeks) for a gynaecology appointment. If the information is available, please break this information down by type of referral (routine, urgent, etc.) or the type of appointment (general gynaecology, colposcopy, fertility, endometriosis etc.) – If a full breakdown is not possible please provide any aggregated data you can.**

The percentage against 18 weeks - 25.3% and aggregate is 27.2%

**3. The average waiting time (in weeks) from referral to confirmed diagnosis. If the information is available please break this information down by condition (e.g. endometriosis, polycystic ovary syndrome, fibroids, other (please specify if available)). If providing waiting times by condition is not possible, please provide an overall average for all gynaecological diagnoses.**

MKUH does not record information in this way.

**4. The total number of patients diagnosed with the above conditions in the time period mentioned above. If this is unfeasible, please provide this data for the most recent full year available.**

MKUH does not record information in this way.

**5. The average waiting time (in weeks) from diagnosis to treatment, broken down by condition (e.g. endometriosis, polycystic ovary syndrome, fibroids, other (please specify if available)). If providing waiting times by condition is not possible, please provide an overall average for all gynaecological diagnoses.**

MKUH does not record information in this way.

**6. The number of patients currently awaiting surgery for gynaecological conditions. If available, please provide a breakdown by condition.**

715 – This information cannot be broken down further.
