Request under Freedom of Information Act 2000

Thank you for your request for information which we received on 26 March 2018.

The Trusts system does not record drug usage for indication, we can therefore only provide the number of patients receiving the following drugs but with no reference to the indication the medications are used for.

The following data covers Dec 17 to Feb 18;

Apixaban	306 patients
Dabigatran	18 patients
Edoxaban	11 patients
Rivaroxaban	121 patients

Warfarin is stored as stock on wards, we are therefore unable to track an accurate and full number of patients prescribed with Warfarin.
