Request under Freedom of Information Act 2000

Thank you for your request for information which we received on 27 March 2018.

I am pleased to confirm the following.

1. Does the Trust perform neck of femur (hip) fracture repairs?

Yes

2. Does the Trust have guidelines or a policy regarding the reversal of warfarin in patients undergoing surgery for neck of femur (hip) fracture patients?

At this time we do not have a specific policy for warfarin reversal in NOF/Hip fractures. Please find attached the Trusts Anticoagulation Guidelines for Adults guidelines.

- If yes, please could this be emailed to me
- If no, what is the commonest way that these specific patients are managed?

3. Does the Trust have guidelines or policy regarding antibiotic prophylaxis for neck of femur (hip) fractures undergoing surgery?

The Trust use Teicoplanin 600mg as antibiotic Prophylaxis cover for all our NOF patients. Please see documents attached.

- If yes, please could this be emailed to me.
- If no, what is the commonest form of antibiotic prophylaxis (and duration) that these patients are given?

4. Does the Trust have specific guidelines or a policy regarding treatment of neck of femur (hip) fracture patients?

- If yes, please could this be emailed to me

Please see document attached.

5. Does the Trust have general guidelines or a policy regarding the management of patients on warfarin undergoing surgery?

Please find attached the Trusts Anticoagulation Guidelines for Adults guidelines.
