***Request under Freedom of Information Act 2000***

Thank you for your request for information which we received on 27 July 2018.

I am pleased to confirm the following.

**Please can you tell me if any of your buildings are clad in Aluminium Composite Material, and if so how many.**

**If any buildings have ACM please can you tell me whether the trust will be removing the cladding and if you have estimated how much this will cost.**

I can confirm that one building on the Trust's site has been identified as being clad in Aluminium Composite Material. As it is a low-rise building (two storeys) the Trust does not currently have any plans to remove the cladding.
