

Request under Freedom of Information Act 2000

Thank you for your request for information which we received on 30 August 2018.

For each year between 2009 and up-to the end of 2017, how many babies born under your trust were born to drug dependent mothers and once born, were transferred to a drug treatment programme to wean them off their addiction?

Please find attached.

Please note the Trust is only able to provide the information requested from 2012 onwards. Prior to 2012 the Trust did not record the information in a central location, to obtain this would entail trawling through patient records which would require permission and exceed the appropriate time limit.

You are advised that this information is provided in accordance with the Freedom of Information Act 2000 and is for your personal use. Any re-use of this information will be subject to copyright and the Re-Use of Public Sector Information Regulations (1st July 05) and authorisation from Milton Keynes Hospital NHS Foundation Trust will be required. If, after exhausting our internal process, you are still unhappy with the information received, you may write to the Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire SK9 5AF.
