

## ***Request under Freedom of Information Act 2000***

Thank you for your request for information which we received on 12 October 2018.

I am pleased to confirm the following.

**1. Please provide statements for all purchase cards, 'p-cards', or any other credit or debit cards paid out using public funds, used by or for executive directors for the period April 2016, to March 2017, and April 2017 to March 2018. Please also provide receipts for these expenses.**

The Trust's Executive Directors do not have, credit, debit or purchase cards.

**2. Please also provide details of all spending by executive directors using their own money which is then then claimed back from public funds for the period April 2016 to March 2017, and April 2017 to march 2018. Please also provide receipts for these expenses.**

The Trust does not hold this information in an easily obtainable format. To obtain this would entail our payroll provider manually trawling through records which would exceed the appropriate time limit.

**3. Please also provide details of all spending on behalf of that individual, by the trust, for the period April 2016 to March 2017, and April 2017 to march 2018. Please also provide receipts for these expenses.**

I attach for your information a link to the Trust's Annual Report and Accounts for the year 2017/18. Information about expenses paid to directors in 2016/17 and 2017/18 can be found on page 67:

The Trust does not hold detailed information about each director's expenses centrally, and to obtain this would entail going through staff records which would require permission and exceed the appropriate time limit.
