

Request under Freedom of Information Act 2000

Thank you for your request for information which we received on 12 October 2018.

I am pleased to confirm the following.

1. What were the number of structural renovation / expansion projects carried out by the Trust in:

- **2015/2016** 11 projects
- **2016/2017** 16 projects

2. What are the number of structural renovation / expansion projects planned by the Trust in:

- **2018/2019** 20 projects
- **2019/2020** Plan for this year not yet agreed

3. What are the nature of the renovation/ expansion projects planned e.g. ward reconfiguration, hospital expansion etc.

Planning for

- Path Way Unit ED
- Aseptic Suite
- Cancer Centre Unit

4. How does the Trust currently partition building works from wards / theatres etc.? E.g. dry walls / plastic linings. Is this managed by the Trust or building contractors?

The Trust uses a number of building methods depending on the location of the work due to the range of building types in the Trust. This work in the main is undertaken by the use of external building contractors

5. Are there any regulations pertaining to the partition of building areas from working areas within a hospital? E.g. fire regulations, infection control regulations.

Yes the Trust always considers the appropriate need to apply the standards needed to meet the conditions of building control, planning applications and the standards needed to meet current fire building control standards.
