

## ***Request under Freedom of Information Act 2000***

Thank you for your request for information which we received on 12 October 2018.

I am pleased to confirm the following.

### **1. How many new patients have been diagnosed with Psoriatic arthritis in the last 12 months and how many in each hospital within the trust**

The Trust does not record this information in a central location. To obtain this information would entail trawling through patient records which would require consent and exceed the appropriate time limit.

### **2. How many of the newly diagnosed patients with Psoriatic arthritis patients are treated with biologic therapy (disease modifying therapy) to include numbers for:**

- adalimumab
- apremilast
- certolizumab
- etanercept
- golimumab
- infliximab
- secukinumab
- ustekinumab
- ixekizumab
- tofacitinib

The Trust does not record this information in a central location. To obtain this information would entail trawling through patient records which would require consent and exceed the appropriate time limit.

### **3. Are clinics held specifically for Psoriatic Arthritis, if so, how many and at which hospitals within the trust?**

No
