Request under Freedom of Information Act 2000

Thank you for your request for information which we received on 09 May 2018.

Please can you let me know: During the last financial year (FY 17/18,) the total amount spent on replacing patients damaged or broken spectacles (glasses,) hearing aids and dental prostheses.

A total for all items would be great. There is no need for costs by impairment device type.

The Trust does not offer a service that replaces broken spectacles or dental prostheses. These services will be carried out in the community.

With regards to hearing aids, the Trust does not record this information.

However, in the financial year requested, £125.00 was spent on reimbursements for replacements procured by the patients, and reclaimed via the Losses and Special Payments Committee. These are not items directly replaced by the trust.
