

## FOI 4479 - Discharges and Readmissions

Questions	Notes/Comments	Response	
		Year	Number of People Discharged without a fixed abode
1. How many people were discharged without a fixed address in the last five years (2014,2015,2016, 2017, 2018)? Please break this down by year.	Included are all inpatients discharged from MKUH between the 01 January 2014 and the 31st December 2018 where Post Code of Usual Address is 'ZZ99 3VZ' (PATIENT has no fixed abode). If a patient had multiple admissions in a year, they would be counted only once.	2014	40
		2015	57
		2016	26
		2017	19
		2018	45
2. How many were readmitted within six months in the last five years (2014,2015,2016, 2017, 2018)? Please break this down by year.	Included are patients found in question 1 who were readmitted within 6 months.	Year	Number of People Readmitted
		2014	16
		2015	16
		2016	9
		2017	6
		2018	6
