101 - Activity

Notes/Comments

The figures displayed relate to attendances at MKUH's Outpatient Department between the 1st January 2014 and 31st December 2017 that meet the following criteria:

- patients who have attended an outpatient appointment
- the attendance was for any surgical CSU
- data includes new and follow up attendances

The figures displayed relate to elective admissions to MKUH's between the 1st January 2014 and 31st December 2017 that meet the following criteria:

- the data includes day cases
- the admissions are only for surgical CSU

Please note the numbers provided are cancer 62 day pathway patients that had surgery as their first treatment.

The figures displayed relate to all emergency inpatient admissions to MKUH's between the 1st January 2014 and 31st December 2017.

- maternity and other admission methods haven't been included

The figures displayed relate to an MKUH admission where a colonoscopy/gastroscopy was carried out during that stay between the 1st January 2014 and 31st December 2017

2014	2015	2016	2017
132,325	141,843	153,371	148,314
10,463	10,372	11,262	11,087
344	359	446	422
25,227	25,825	27,012	29,711
6,236	7,941	8,491	7,212
