

Request under Freedom of Information Act 2000

I am pleased to confirm the following.

I request that a copy of the following documents be provided to me: Trust Guidelines for Referral to Genetic Services after colonoscopy undertaken as part of the UK Bowel Cancer Screening Programme (BCSP). In particular I would like you to include any guidelines for referral of patients identified to have ten or more colonic polyps at colonoscopy (oligopolyposis).

The Trust does not have referral criteria. However, patients are discussed in MDT meetings and referred on.
