

## ***Request under Freedom of Information Act 2000***

Thank you for your request for information which we received on 03 June 2019.

I am pleased to confirm the following.

**Various incident and mortality rates for acute bowel ischemia for each year over the period 2007 - 2018 (the table to be completed is attached).**

Please see attached

**An explanation of how the rates have been calculated.**

The rates are calculated through our Information System

**Details of the *formal* processes, procedures, pathways and other means of diagnosing acute bowel ischemia used by the hospital and its health professionals (including but not limited to those used by the surgical team, nurses, radiologists, intensive care)?**

The Trust follows the NICE guidelines

**Details of any *informal* processes, procedures, pathways and other means of diagnosing acute bowel ischemia used by the hospital and its health professionals (including but not limited to those used by the surgical team, nurses, radiologists, intensive care)?**

The Trust follows the NICE guidelines
