

Request under Freedom of Information Act 2000

Thank you for your request for information which we received on 21 October 2019.

I am pleased to confirm the following.

Please can you tell me how many of the following two devices - **MCS+ 9000 Mobile Platelet Collection System** and/or **MCS+ 8150 Multicomponent Collection System** both from a company called **Haemonetics** - the trust has used over the last 10 years and how many of these devices are currently in operation.

The trust does not use such devices and therefore there are none currently in operation.

Please provide a figure for each device and each year over the last 10 years. If possible, please also state how many patients have had this device used on them.

Not applicable.
