483 - FOI 4841 - Cancelled Operations

Total number of all operations cancelled due to non-clinical reasons:

The Trust is unable to provide this information as data with respect to all cancellations for non-clinical reasons is not held centrally on the Patient Administration System (PAS).

Elective operations cancelled due to non-clinical reasons last minute:

Included are number of last minute elective operations cancelled for non-clinical reasons on the day of operation, split by financial year as requested.

Please note we are not able to confirm if last minute cancellations were urgent or not but as a rule, the Trust prioritises urgent operations so that where possible these are not cancelled.
