

## ***Request under Freedom of Information Act 2000***

Thank you for your request for information which we received on 26 July 2019.

I am pleased to confirm the following.

### **All types of Lipid patients are seen at Milton Keynes University Hospital**

Does Milton Keynes University Hospital NHSFT diagnose patients with Homozygous Familial Hypercholesterolaemia (HoFH)?

**As HoFH is extremely rare, the Trust hasn't seen any patient in Outpatients clinics yet, but this service is still relatively new.**

Does your trust treat adult patients, paediatric patients or both?

### **Milton Keynes University Hospital only sees adult patients.**

You are advised that this information is provided in accordance with the Freedom of Information Act 2000 and is for your personal use. Any re-use of this information will be subject to copyright and the Re-Use of Public Sector Information Regulations (1st July 05) and authorisation from Milton Keynes Hospital NHS Foundation Trust will be required. In the event of any re-use, the information must be reproduced accurately and not used in a misleading manner.

If you are unhappy with the information received in response to this request, please address your complaint to the Patient Affairs Office at Milton Keynes Hospital NHS Foundation Trust, Standing Way, Eaglestone, Milton Keynes MK6 5LD. If, after exhausting our internal process, you are still unhappy with the information received, you may write to the Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire SK9 5AF.

If you need any further assistance, please do not hesitate to contact us at the address above.

Yours sincerely,

Freedom Of Information Co-Ordinator  
For and on behalf of Milton Keynes Hospital NHS Foundation Trust
