

Request under Freedom of Information Act 2000

Thank you for your letter which we received on 23 September 2019. Please find enclosed our leaflet giving guidance on our procedure for managing requests for information which is covered by the Freedom of Information Act 2000.

Please can you tell me how many of the following device - PCS2 Plasma Collection System from a company called Haemonetics - the trust has used over the last 10 years and how many of these devices are currently in operation.

Please provide a figure for each year over the last 10 years. If possible, please also state how many patients have had this device used on them.

I regret to inform you that we do not hold the information you requested. The Trusts' pathology department has no direct involvement with plasmapheresis or plasma collection.

If you need any further assistance, please do not hesitate to contact us at the above address.

Yours sincerely

Freedom of Information Co-ordinator
