

## 655 - FOI 5027 - ED attendances

Question	Comments																			
1. For each of the last three calendar years (2019, 2018, 2017), please provide a monthly list of the chief complaints for patients admitted to A&E, broken down by:	Provided below are the number of patients admitted, split by the gender that has been recorded against their A&E admission, for each chief complaint between 1st June 2018 and 31st October 2019. We are unable to provide a grouped chief complaint prior to this as the chief complaint was recorded as a free text field.																			
• The name of the chief complaint. • The number of patients admitted to A&E for each chief complaint. • The number of male patients admitted for each chief complaint. • The number of female patients admitted for each chief complaint.
