

Request under Freedom of Information Act 2000

Thank you for your request for information which we received on 19 November 2019.

I am pleased to confirm the following.

Please provide me with a document with information about how many patients in the last 5 years up to April 2019 with the Sickle cell condition have been treated at Milton Keynes University Hospital and is there a particular allocation in the budget for this group of patients.

Patients admitted:

Please see attached documents on numbers of patients admitted for sickle cell.

Budget:

There is no ringfenced budget for these patients, they would receive appropriate care and treatment the same as any other patient, and the activity charged accordingly to the respective commissioner.
