

Request under Freedom of Information Act 2000

Thank you for your request for information which we received on 08 January 2020.

I am pleased to confirm the following.

I am writing to request information on what your guidelines are on managing and treating drug or opiate dependent patients in an acute setting, with specific focus on pain management of said patients. Would we be able to obtain a copy of this?

We do not have an approved guideline on managing drug or opiate dependent patients. However, there is one in development based on national guidelines.
