

***Request under Freedom of Information Act 2000***

Thank you for your request for information which we received on 16 January 2020.

I am pleased to confirm the following.

**1. How many stranded patients did each of your trust's hospitals have during each month of the past calendar year, 2019?**

Please see attached

**Please provide the information by month if possible, i.e. January 2019, 200 stranded patients. However, if this is not possible please provide the figures on a weekly or daily basis, if that is how they are recorded locally.**

Please see attached

**2. How many super-stranded patients did each of your trust's hospitals have during each month of the past calendar year, 2019?**

Please see attached

**3. Has your trust met its target of reducing super-stranded patients by 25% from 2017-18 figures? If not, please state by what proportion the figure has been reduced by so far.**

Please see attached

**4. What were the five longest Length of Stays recorded by patients in your trust during calendar year 2019?**

Please see attached

**5. What specific actions has your trust taken to reduce super-stranded patients in the past year?**

We are undertaking a number of improvement projects which are monitored via our Length of Stay (LOS) Programme Board to support reducing a Reduction in LOS which includes system engagement in key areas of work.
