

## **Request under Freedom of Information Act 2000**

Thank you for your request for information which we received on 06 February 2020.

I am pleased to confirm the following.

- 1. Is your hospital part of a multi-agency integrated network that shares data for analysis? If so, please confirm with which agencies you share data (i.e. police, social services, fire services, etc.)**

No

- 2. Is your hospital part of any of the following networks and, if so, do you share data for analysis with other organisations in this network?**

- Integrated Care Partnership
- Integrated Care System
- Primary care groups, e.g. GPs
- Local Integrated Care Record Exemplars

Yes, we are part of the listed networks and we do not share data for analysis with other organisations in this network.

- 3. If your hospital is part of a multi-agency integrated network that shares data for analysis, does the network conduct analysis for the following use cases:**

- a. To understand key population health issues
- b. To allocate funding for key preventative work
- c. To identify vulnerable and high-risk people for support interventions

No

**For the following questions, we define a data literacy programme as a training programme for employees that helps them learn how to read, understand, question and analyse data.**

- 4. Do you have a data literacy programme?**

No
