Request under Freedom of Information Act 2000

Thank you for your request for information which we received on 30th April 2020.

I can confirm the following.

- a. **What is the name of your trust** – Milton Keynes University Hospital NHS Foundation Trust
- b. **The hospitals run by your trust** – Milton Keynes University Hospital NHS Foundation Trust

1. Discharges

- c. **Between the 19th March – 15th April 2020 how many patients from your hospital(s) were discharged into residential care/nursing home?**

The Trust does not record on its electronic Patient Administration system (eCARE) the discharge location in terms of residential care/nursing home. In terms of discharge location, the Trust uses the nationally defined discharge location options, with the majority of patients being recorded as discharged to their “usual place of residence” or discharged to “another hospital”. The option of residential care/nursing home is not an option that is available for the Trust to use on its system and therefore it is unable to provide this information.

2. Discharges & COVID 19 Testing

- d. **Of those discharged in question 2 how many were tested for COVID-19?**

On the basis that we cannot provide the information in question 2, the Trust is unable to provide this information.

3. Discharges & COVID 19 Test Results

- e. **Of those who were tested COVID-19 from question 3, how many tested positive for COVID-19?**

On the basis that we cannot provide the information in question 2 and 3, the Trust is unable to provide this information.

- f. **Of those who were tested COVID-19 from question 3, how many tested negative for COVID-19?**

As above

- g. **Of those who were tested COVID-19 from question 3, how many did not have the results before the patient was discharged?**
