

## ***Request under Freedom of Information Act 2000***

Thank you for your request for information which we received on 30 March 2020.

I am pleased to confirm the following.

- 1. In the past 3 months, how many over 50s females have you treated with a drug [eg biphosphonate, denosumab, raloxifene or teriparatide] for osteoporosis?**

We have treated 172 females over the age of 50 with one of these drugs in the last 3 months but I cannot say if this was for osteoporosis specifically.

- 2. In the past 3 months how many patients were treated with:  
Forsteo [teriparatide]  
Movymia [teriparatide]  
Terrosa [teriparatide]**

We do not specify a brand of this item on our computer system.

- 3. If possible; of these patients how many were new to the treatment, ie had not previously been treated with teriparatide?**

Forsteo [teriparatide]

Movymia [teriparatide]

Terrosa [teriparatide]

We do not specify a brand of this item on our computer system.

You are advised that this information is provided in accordance with the Freedom of Information Act 2000 and is for your personal use. Any re-use of this information will be subject to copyright and the Re-Use of Public Sector Information Regulations (1st July 05) and authorisation from Milton Keynes Hospital NHS Foundation Trust will be required. In the event of any re-use, the information must be reproduced accurately and not used in a misleading manner.

If you are unhappy with the information received in response to this request, please address your complaint to the Patient Affairs Office at Milton Keynes Hospital NHS Foundation Trust, Standing Way, Eaglestone, Milton Keynes MK6 5LD. If, after exhausting our internal process, you are still unhappy with the information received, you may write to the Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire SK9 5AF.

If you need any further assistance, please do not hesitate to contact us at the address above.

Yours sincerely,

Freedom of Information Co-ordinator  
For and on behalf of Milton Keynes Hospital NHS Foundation Trust
