

Request under Freedom of Information Act 2000

Thank you for your request for information which we received on 02 November 2020.

I am pleased to confirm the following.

Please can you provide any agreements/contracts you have with Accommodation providers (For Instance: Estate Agents and Letting Agents) for staff working at the trust (please feel free to redact any sensitive financial information)

We do not have any agreements or contracts with Estates Agents and/or Letting Agents. If we do not have accommodation available, staff would need to look in the private sector.

We do not get involved in assisting private landlords, letting or Estate Agents in letting their own properties as this would be a conflict of interest.

The properties we do rent out are through 3 separate Housing Associations. So basically, the Trust are our tenants Landlord, but the Housing Association is the Trusts Landlord.
