

Date of Report: 09/12/2020

FOI - 5539 - Patients attending A & E with self harm

Provided below are the number of patients aged 17 or younger who attended the Trust's Accident and Emergency department between 19th May 2018 and 30th November 2020 with the chief complaint of self-harm.

Please note 2018 and 2020 are not complete years of data, we are unable to provide data prior to the 19th May 2018 due to a system and process change (where the chief complaint of the patient was changed from a free text field to SNOMED codes).

Female

Age Group	2018	2019	2020
0-5	0	0	0
6-11	4	7	2
