

Request under Freedom of Information Act 2000

Thank you for your request for information which we received on 01 December 2020.

I am pleased to confirm the following.

Please can you tell me how many cases of hospital-acquired Covid-19 the trust has had since 1st March 2020.

Please state the date the case was discovered, the name of the hospital and the ward/department where the patient was, the outcome for the patient (i.e. recovered, died), and whether any staff were also affected (if so, please state how many and the area of the hospital where they work).

Please see report below, this report only goes up to October 31st. For dates from November to current date the Trust uses a qualified exemption "Information intended for future publication".
