

## ***Request under Freedom of Information Act 2000***

Thank you for your request for information which we received on 09 March 2021.

I am pleased to confirm the following.

### **Can you kindly provide me with the exact figures of patients admitted onto icu and put on ventilators due to being infected with covid-19?**

65 patients were admitted and invasively ventilated between 01.03.20-09.03.21 with a diagnosis of COVID-19.

### **Can you also provide me with the exact figure of people that have died from covid-19 that have no underlying health issues?**

We can only provide data for those patients admitted to ICU. For ICU patients past medical conditions are defined by the ICNARC case programme Version 3.1. and do not cover all 'underlying health issues' therefore we cannot provide this information.

### **Can you kindly provide me with exact figures of people that have currently been vaccinated from covid-19 in Milton Keynes?**

As at close of the Trust's Vaccination Centre last night 14.03.2021, we had administered 29,313 doses of the Covid vaccination (i.e. from 8 December 2020 to 14 March 2021).
