

## ***Request under Freedom of Information Act 2000***

Thank you for your request for information which we received on 16 February 2021.

I am pleased to confirm the following.

- **The number of pregnant women your trust has treated for Covid-19 between 1st March 2020 and 31st January 2021?**

19 - Our response is a count of patient discharges between 1st March 2020 and 31st January 2021 where the patient the following diagnosis codes assigned in any diagnosis position: U07.1 COVID-19, virus identified or U07.2 COVID-19, virus not identified; and O98.5 Other viral diseases complicating pregnancy, childbirth and the puerperium Please note that if the patient was admitted more than once in the time period then they have been counted each time on the basis that they received treatment on each admission.

- **The number of pregnant women your trust has treated in ICU for Covid-19 between 1st March 2020 and 31st January 2021?**

2 - Please note that if the patient was admitted more than once each admission has been checked for a stay in an Intensive Care Unit.

- **The number of women who had recently given birth that required treatment for Covid-19 by your trust between 1st March 2020 and 31st January 2021?**

3 - Our response is a count of those discharges identified in Q1 who were additionally assigned the following code in the second diagnosis position: Z37 - Outcome of delivery

- **The number of women that had recently given birth and required treatment for Covid-19 in ICU at your trust between 1st March 2020 and 31st January 2021?**

There are no patients from Q3 who were admitted to an Intensive Care Unit during their inpatient stay. Please note that if the patient was admitted more than once each admission has been checked for a stay in an Intensive Care Unit.

- **The number of maternal deaths in your trust where Covid-19 or a Covid-19 related illness was recorded as the cause of death between 1st March 2020 and 31st January 2021?**

There are no maternal deaths within the time period specified and therefore none where there was a diagnosis of Covid-19. We are not able to determine from clinical coding whether any

conditions are Covid-19 related.

- **The total number of maternal deaths (from all causes) in your trust for the period 1st March 2020 to 31st January 2021?**

There are no maternal deaths within the time specified.

- **The total number of maternal deaths (from all causes) in your trust for the period 1st March 2019 to 31st January 2020?**

There are no maternal deaths within the time period specified

- **The number of pregnant workers in your trust (employees, agency workers, self-employed or locum) that are currently in patient-facing roles?**

We do not keep this type of data in the data warehouse.
