

Request under Freedom of Information Act 2000

Thank you for your request for information which we received on 23 November 2020.

I am pleased to confirm the following.

Please could you give the following figures for the six month period May 15 to November 15, separately, for the three years 2018, 2019 and 2020.

The number of referrals to your trust for extraction of teeth in children (up to age of 18), over the six month periods. These are undertaken by the Community Dental Service. Please contact Central and North West London NHS Trust for this information.

The number of cancers of any type diagnosed in patients of all ages, broken down by stage of cancer, over the six month periods –. Please see attached report

The number of operable cancers of any type diagnosed in patients of all ages in the six month periods

The number of inoperable cancers of any type diagnosed in patients of all ages in the six month periods

The Trust does not hold this information in an easily accessible format. This would entail a trawl through the medical notes of each patient. Therefore this falls under absolute exemption 40 - personal data.

Could you please also tell me what the current figures are for:

How many children have been waiting more than one year for extraction of teeth at your trust – Please see attached report.

The age range of children waiting more than one year for extraction of teeth at your trust – Please see attached report.

How many children have waited for more than two years for extraction of teeth at your trust. Please see attached report.

What is the age range of children who have waited more than two years for extraction of teeth at your trust
Please see attached report.

How many patients of all ages have been waiting more than six months for cardiology appointments at your trust
Please see attached report.

How many patients of all ages have been waiting for more than a year for cardiology appointments at your trust.

Please see attached report.
