

**Request under Freedom of Information Act 2000**

Thank you for your request for information which we received on 18 October 2021.

I am pleased to confirm the following.

- 1. Do you charge an increased rate per bed days for bariatric patients?**  
As an NHS Acute Hospital provider all patients receive appropriate health care in accordance with their needs  
  
**If yes, how do you define a bariatric patient?**  
NA
- 2. If yes, what is the increase cost per bed day?**  
NA - As Acute NHS provider patients are in equal receipt of care needs as appropriate to their individual needs
- 3. If yes, how many times have you charged the increased rate in the past 12 months?**  
NA
- 4. If yes, what is the total cost charged for this increased rate in the past 12 months?**  
NA
- 5. Do you know how much you spend on bariatric equipment per year?**  
Between 01/04/2020 – 31/03/2021 we spent £48,243.31
- 6. How many patients have you provided bariatric equipment for in the past 12 months?**  
We do not hold this information.
- 7. Do you have a procedure to identify bariatric patients on admission?**  
All patients are assessed from both a medical and nursing perspective on admission. This assessment includes recording of height, weight. The assessment allows for appropriate equipment, care plans to be implemented
- 8. Do you have a procedure to identify bariatric patients for discharge via patient transport services?**  
If their body weight is in excess of 20 stones, we would consider them plus-size. If their weight exceeds the safe working load of equipment such as beds, chairs and so on, they are plus-size and if their body shape is too wide for our equipment, they are considered plus-size.
