

## **Request under Freedom of Information Act 2000**

Thank you for your request for information which we received on 03 September 2021.

I am pleased to confirm the following.

### **1. Accidents or incidents at work which have, or could have, led to the release or escape of coronavirus (SARS-CoV-2) (dangerous occurrences).**

As per the Trust incident reporting system DATIX and to the best of my knowledge, we have recorded 4 incidents under the heading of dangerous occurrence.

### **2. A person at work (a worker) having been diagnosed as having COVID-19 attributed to an occupational exposure to coronavirus (a case of disease).**

4 cases have been recorded as potentially workplace acquired

### **3. The death of a worker as a result of occupational exposure to coronavirus (a work-related death due to exposure to a biological agent).**

No deaths have been recorded

You are advised that this information is provided in accordance with the Freedom of Information Act 2000 and is for your personal use. Any re-use of this information will be subject to copyright and the Re-Use of Public Sector Information Regulations (1st July 05) and authorisation from Milton Keynes Hospital NHS Foundation Trust will be required. In the event of any re-use, the information must be reproduced accurately and not used in a misleading manner.

If you are unhappy with the information received in response to this request, please address your complaint to the Patient Affairs Office at Milton Keynes Hospital NHS Foundation Trust, Standing Way, Eaglestone, Milton Keynes MK6 5LD. If, after exhausting our internal process, you are still unhappy with the information received, you may write to the Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire SK9 5AF.

If you need any further assistance, please do not hesitate to contact us at the address above.

Yours sincerely,

Freedom of Information Co-ordinator  
For and on behalf of Milton Keynes Hospital NHS Foundation Trust
