

Request under Freedom of Information Act 2000

Thank you for your request for information which we received on 19 April 2021.

I am pleased to confirm the following.

1. How much has been spent and the number of patients seen via Insourcing, Outsourcing and the Hospitals own Waiting List initiatives in the last 3 years. In the most recent FY in the 12 months ending March 2021

MKUH define as outsourcing (either services provided by another provider on another site, or where the Trust has contracted with a third party to deliver a whole service (e.g., dermatology) for which some of the services may be delivered at the hospital. This is distinct from insourcing that would be supplementing the Trust's own service with some additional capacity in the form of additional staff who use the Trust's facilities (e.g., at weekends).
