

Request under Freedom of Information Act 2000

Thank you for your request for information which we received on 28 May 2021.

I am pleased to confirm the following.

- 1. The number of patients who were positive with Covid-19 who you discharged into care homes since you started recording patients suffering with coronavirus.**
- 2. The number of patients who had recovered from Covid-19 who you discharged into care homes since you started recording patients suffering with coronavirus.**
- 3. The care homes these patients were discharged into.**
- 4. The dates that these discharges happened.**

Although we record discharge location, to find out if the patient had COVID-19 and was discharged to a care home would entail manually checking each patient that has been discharged to a care home since March 2020 which would exceed the time limit under Section 12 and Personal Information under Section 40 of the Freedom of Information Act 2000.
