

## ***Request under Freedom of Information Act 2000***

Thank you for your request for information which we received on 10 January 2022.

I am pleased to confirm the following.

**1) How many patients have been discharged from your trust's hospitals without assessment or have received assessment after leaving hospital?**

We do not routinely record this information, to source it would involve reviewing all patients who have been inpatients over this period which would be exempt under Section 12 - The cost of compliance exceeds the appropriate limit.

**2) Could I please have this broken down by month for September, October, November and December for 2021.**

We do not routinely record this information, to source it would involve reviewing all patients who have been inpatients over this period which would be exempt under Section 12 - The cost of compliance exceeds the appropriate limit.

**3) May I also request the current number of patients that are fit to leave hospital but are unable to as a space in a care home or care facility is not available.**

Total number of patients delayed waiting for care home beds on 18.1.22 = 8
