

FOI 7024 - A&E Attendances and Re-Attendances

Questions	Notes/Comments	18-65				Over 65			
		Male	Female	Indeterminate	Unknown	Male	Female	Indeterminate	Unknown
1. Total number of A&E visits in from 01/06/18 - 31/05/20.	All attendances to the MKUH Emergency Department between 1st June 2018 and 31st May 2020 where the patient was aged 18 or over. This is split by the requested age groupings and by gender category. Please note, due to a system upgrade in May 2018, data prior to then is currently unavailable, as such, data has been provided for a two year period from June 2018. Furthermore, where the gender data is incomplete, these have been categorised as 'Data Unavailable'.	45196	51026	7	14	15461	18483	0	0
2. Total number of unique people visiting A&E over the same time period.	All unique patient attendances to the MKUH Emergency Department between 1st June 2018 and 31st May 2020 where the patient was aged 18 or over. This is split by the requested age groupings and by gender category. Please note, due to a system upgrade in May 2018, data prior to then is currently unavailable, as such, data has been provided for a two year period from June 2018. Furthermore, where the gender data is incomplete, these have been categorised as 'Data Unavailable'.	29736	30732	3	4	7888	9830	0	0
3. Total number of people with 2 or more visits within a 30 day period.	All attendances to the MKUH Emergency Department between 1st June 2018 and 31st May 2020 where the patient was aged 18 or over and had a previous attendance within the past 30 days. This is split by the requested age groupings and by gender category. Please note, due to a system upgrade in May 2018, data prior to then is currently unavailable, as such, data has been provided for a two year period from June 2018. Furthermore, where the gender data is incomplete, these have been categorised as 'Data Unavailable'. Due to difficulties in retrieving this data at unique patient level, this data may contain multiple counts of the same patients if they re-attended multiple times within a 30 day period and satisfy the above criteria.	6113	7865	0	6	2849	2879	0	0
4. Within those patients I am looking for patients:									
4a. Have the same presenting complaint.	All attendances in Question 3 where the Chief Complaint was the same as the previous attendance.	1316	2114	0	3	596	571	0	0
4b. Have presented with a different complaint.	All attendances in Question 3 where the Chief Complaint was not the same as the previous attendance.	2405	3028	0	3	1336	1373	0	0
4c. Complaint data unavailable.	All attendances in Question 3 where Chief Complaint data for either the current or previous attendance is unavailable.	2392	2723	0	0	917	935	0	0
4d. Patient's discharge destination.	Ambulatory Emergency Care service	14	40	0	0	5	4	0	0
	Custodial services e.g. prison / detention centre	8	0	0	0	0	0	0	0
