

## ***Request under Freedom of Information Act 2000***

Thank you for your request for information which we received on 16 September 2021.

I am pleased to confirm the following.

**Please advise the total quantities of End of Life Medication administered in the following months:**

**December 2019**

**January 2020**

**December 2020**

**January 2021**

This information is not in our data warehouse

**For the same months as above, please supply the number of patients placed on an EOL regime.**

The Palliative and End of Life care team (PELCT) does not record the precise numbers of inpatients referred to us who are already on, or go onto an end of life regime.

**Please give a breakdown of administration during those months of the following End of Life drugs: Midazolam, Morphine, Oxycodin and Levomepromazine.**

We are unable to answer this question as we are not able to tell if a dose was specifically given for EOL
