

Request under Freedom of Information Act 2000

Thank you for your request for information which we received on 03 January 2022.

I am pleased to confirm the following.

I would be grateful to know how many women have had NHS care for ruptured ectopic pregnancies for each month since 1st January 2018 please.

We are unable to answer this question as it specifically relates to **ruptured** ectopic pregnancies. The data is unable to be broken down to this level as ruptured ectopic pregnancies would be categorised under all ectopic pregnancies.
