

Request under Freedom of Information Act 2000

Thank you for your request for information which we received on 01 March 2022.

I am pleased to confirm the following.

Please specify the make and type of laparoscopy surgical energy devices (specifically advanced bipolar devices) currently in use at all Trust sites.

Enseal and Ligasure are both advanced bipolar whereas Harmonic is ultrasonic.

For those surgical energy devices, please details the annual usage in units

Please see attached document

Please confirm if these devices fall within a pricing agreement/contract and if so

There is no agreement in place as there are many providers on the system which we purchase from for Laparoscopic devices.

When is it up for renewal?

N/A

What is the minimum spend the Trust is committed to per annum?

N/A
