

Request under Freedom of Information Act 2000

Thank you for your request for information which we received on 19 May 2022.

I am pleased to confirm the following.

Do you have an accommodation service for new starters?

Yes

Can you provide details of capacity and how sufficient this is considering the current climate in the country?

We run at approximately 75% occupancy, with the ability to accommodate short stay Locums/Bank Staff, students both medical and non-medical and with the Fatigue Charter also included. Has been sufficient up until recently with the Trusts recruitment needs now increasing dramatically.

Are you open to partnership for provision of properties for your staff?

There is always the ability to discuss options with other external provision providers.
